. 23/1/	쇎	Comment: The Oschatz units of the 9th Tank Div, including the 23rd Tank Regt, left the post between 18 and 20 April 1950, presumably going to the Koenigsbrueck troop training grounds where elements of the division practiced in praceding years. A report from Miesa stated that the elements of the 9th Tank Div left that post by rail on 11 and 12 April
